

Printing with Uniflow

- If the Computer is already in the office that you are either moving into or are getting a replacement, it will come installed with Uniflow and you will be able to start printing right away.

- ✓ Check **Printer** when attempting to print: It should have **“FordhamSecurePrint on UPRT01.ds.fordham.edu”**
- ✓ Note that on a laptop, layout may differ slightly but choose the above printer.
 - Make sure that Laptop is connected via Ethernet cable to be in the University’s Network.

- If your computer does not have Uniflow installed, then you can contact Gabelli IT about getting it set up.
- After Gabelli IT installs Uniflow, you will have full printing capabilities.
- Print your documents as you desire!

WANT TO PRINT WITHOUT ETHERNET CORD?

- No special installation needed, just your Fordham Email.
- Attach your file to the email and send to **mobileprint@fordham.edu**
- Note that it will take a couple of minutes to get to the printer.
