

How to Connect to the WiFi for Students, Faculty, Staff, and Guests: On Laptops for Mac OS and Windows

*Fordham University
Gabelli School of Business*

How To Connect to WiFi for Students, Faculty, and Staff: For Mac OS

Á

Step 1: Select “Connect-Fordham-WiFi” as seen in the picture above. Á

Welcome to the Fordham University Network

To set up network and Internet access, please choose your user type and login.

Student | Faculty | Staff

Join our secure wireless network with full network access.

Guest

Join our guest wireless network with internet access.

Step 2: Open any web browser and go to “my.fordham.edu”.
Click on option “Student/Faculty/Staff” or “Guest”.

Your device has been detected and by Connecting below you will be configured for our secure Wi-Fi Service.

The following system was detected:

macOS High Sierra

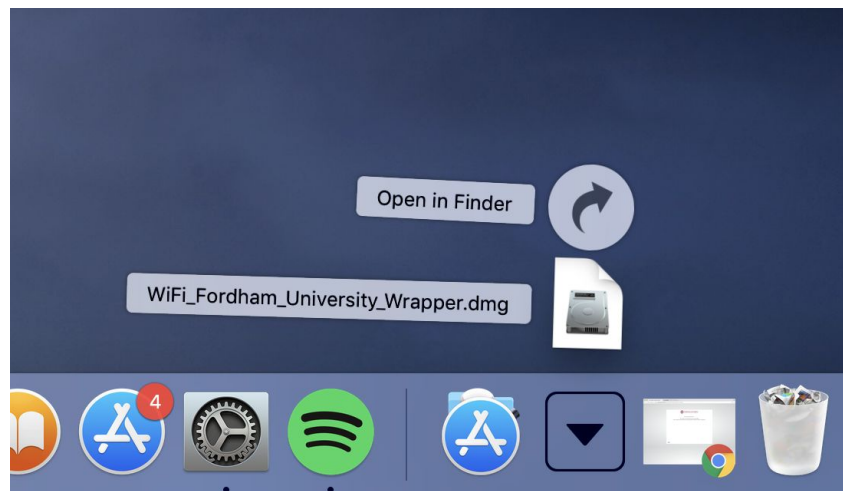

JoinNow

By clicking the JoinNow button you accept the following [Acceptable Use Policy](#).

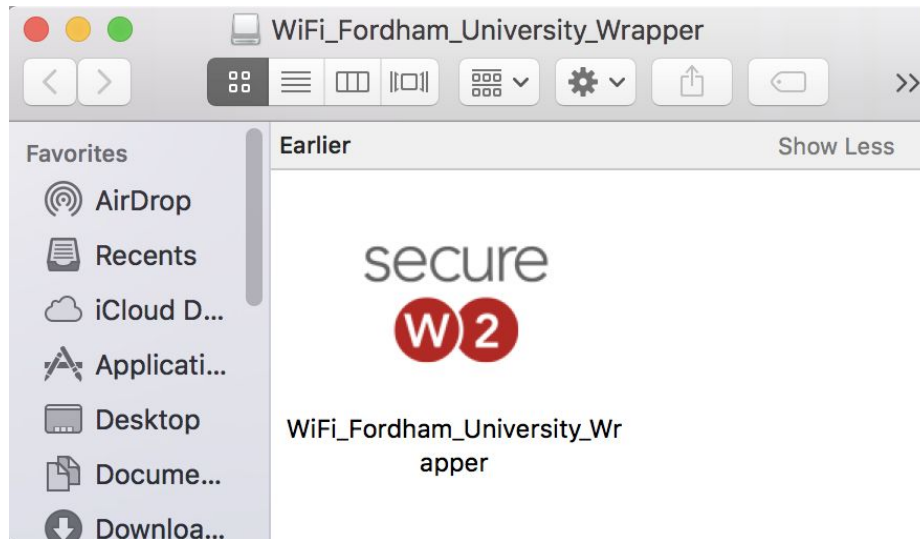

Was your device detected incorrectly?

Select your device:

Step 3: Select “JoinNow”.

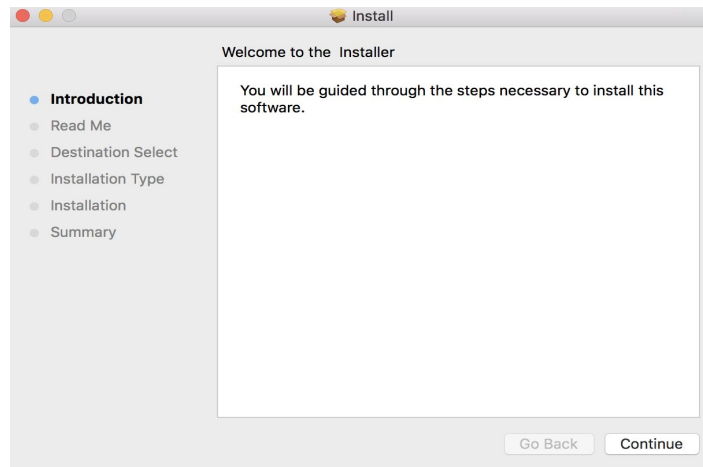

Step 4: Open your downloads and select the downloaded file.

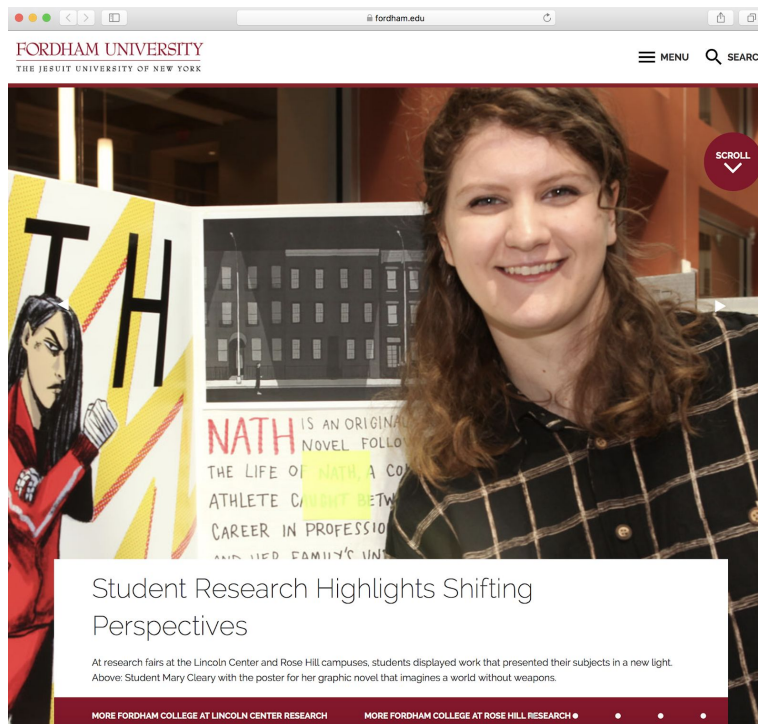

Step 5: Opening the file will open the window shown above. Open the “Secure W2” file.

Step 6: Enter your credentials on prompted page shown in the picture above.

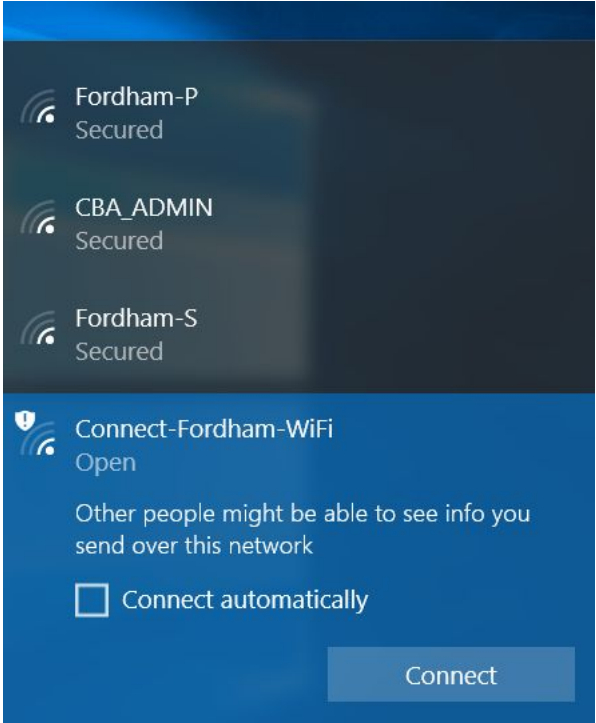

Step 7: Follow the steps of the installation process.

Step 8: After the installation is completed you should be re-directed to the Fordham University home page.

A screenshot of the Fordham University network login page. At the top center is the Fordham University logo and the text 'FORDHAM UNIVERSITY THE JESUIT UNIVERSITY OF NEW YORK'. The main heading is 'Welcome to the Fordham University Network'. Below this, it says 'To set up network and Internet access, please choose your user type and login.' There are two blue buttons: 'Student | Faculty | Staff' and 'Guest'. To the right of the 'Student | Faculty | Staff' button is the text 'Join our secure wireless network with full network access.' To the right of the 'Guest' button is the text 'Join our guest wireless network with internet access.'

Step 2: Open any web browser and go to “my.fordham.edu” which will prompt this windows and click on option “Student/Faculty/Staff” or “Guest”.

The screenshot shows a window titled "Settings" with a subtitle "JoinNow MultiOS by SecureW2". At the top center is the Fordham University logo and name: "FORDHAM UNIVERSITY THE JESUIT UNIVERSITY OF NEW YORK". Below this, the text "Please enter your credentials" is displayed. There are two input fields: "Enter your AccessIT ID:" and "Enter your Password:". A checkbox labeled "Show Password" is located below the password field. At the bottom, a progress bar shows three stages: "CONFIGURE", "AUTHENTICATE", and "JOINED". The "AUTHENTICATE" stage is currently active, indicated by a vertical line. Below the progress bar are two buttons: "Next" and "Cancel".

Step 5: Enter your AccessIT ID and Password and click next.

The screenshot shows the same window as in Step 5, but now the text "Joined..." is displayed in the center. The progress bar at the bottom shows the "JOINED" stage as the active and completed step, with a blue line extending across it. The "Next" button has been replaced by a "Done" button.

Step 6: After authentication, it will say you have joined the network.

Useful Information about the WiFi Networks

We recommend that you confirm your devices' readiness before accessing the network. Computers connecting wirelessly should have an antivirus installed; Bitdefender antivirus is available at no cost to all Fordham faculty, staff, and students.

The link for the Bitdefender antivirus is as follows: <https://goo.gl/CyynZ2>

If you have any complications please contact IT Customer Care: "
